# Innovation INSIGHTS

Lean edition Autumn 2008

## Showcasing the Best Lean Implementations in Victoria

### Insights survey results

**90%** of the organisations interviewed, by a third party, stated that they **had already implemented changes** or that they were planning to implement in the near future as a result of participating at an Insight.

**To get new ideas** was the most common reason for participation.

Participants during 2007 attributed **\$30,000,000 of additional profits** to participation at Insights.

That's over **\$136,000 per enterprise**, did you get YOUR share.

Over **98% will recommend the Insights** initiative to others

**Seeing is believing** it is easier to implement when you have seen it for yourself.

Insights will again feature many of the best lean implementations in Victoria including **Toyota, Autoliv, Robert Bosch, MtM Auto, Volgren, Aisin** and the **Holden Engine Company**.

Join the 5150 participants from 920 Victorian enterprises who have taken an Insight during the last 5 years

**Started to implement lean, have 5s and visuals in place, still no buy in or cultural change, time for a lean and green approach.**  
**The business case for Sustainability is compelling, pick up a flyer for a BUSINESS of SUSTAINABILITY Insight.**
