

Visual Workplace - Visual Thinking

LEARNING AND
PRODUCTIVITY

Monday 10th November 2008

Transform your workplace into one that talks to you using the language of Visuality
.....dramatically improving productivity and reducing waste!

World Leader in Visuality, CEO and founder of Quality Methods International Inc., and the Visual-Lean® Institute, a Shingo Prize Winner and Malcolm Baldrige Examiner, **Dr. Gwendolyn D. Galsworth** has 25 years in the field of manufacturing and enterprise improvement, the last 15 years focusing specifically on Visuality.

As a recognised authority in the field of Visual Thinking, Gwendolyn has assisted companies all over the world to accelerate their rate of transformation, strengthen cultural alignment, and achieve long-term, sustainable, bottom-line outcomes through Workplace Visuality.

In this **one day seminar** Gwendolyn will show you how and why Visuality in the workplace creates such **powerful bottom-line and cultural results**. She will explain key visual principles, concepts, models, methods, and tools.

You will see **over one hundred actual examples** that demonstrate how Workplace Visuality functions and how it builds adherence directly into the physical workplace. You will also learn how to widen and sustain your company's journey to enterprise excellence.

Actual documented results from companies that have implemented Gwendolyn's approach to Visual Order/Visual Inventiveness, Visual Metrics/Visual Performance, Visual Displays and Visual Standards/Visual Controls include:

Improvements such as:

- 15%-30% increase in throughput
- 70% cut in materials handling
- 60% decrease in floor space
- 68% reduction in rack storage
- 96% decrease in defects

Intangible benefits such as:

- A spirited and engaged workforce
- Closer supervisory and management alignment with corporate goals
